II EXPERIENCE

Rule of Law Advisor – ISDS Reform Project Manager for the Western Balkans Region

Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH Legal Reform for Economic Development in the Western Balkans (2022-)

Capacity development

- Organized and implemented training on investment treaties and dispute resolution for over 100 government officials in the Western Balkans, Southeastern Europe and Africa.
- Organized and implemented treaty negotiation simulations for over 20 government officials in the Western Balkans.
- Organized and implemented mediation workshops for over 50 government officials in the Western Balkans.
- Developed or contributed to the development of training workshops, exercises and hypothetical cases.

Policy development

- Advised and supported government officials in the Western Balkans in the development of model provisions for their modernized investment treaties, including a model ISDS clause for the region.
- Advised government officials in the Western Balkans in the development of their Model bilateral investment treaties, two of which were finalized in 2023 (not yet publicly available).
- Supported the development of investor-State mediation strategies.

Design of institutional dispute prevention mechanisms

- Developed a model mapping of communication channels for the Western Balkans for the enhancement of intra-governmental and investor-State communication, aimed at identifying and preventing investment disputes.
- Supported the design of tailored dispute prevention mechanisms for governments, three of which have been established and are currently tested.

The main project highlights include:

- Development of communication roadmaps for the prevention and mitigation of investment disputes in the Western Balkans
- Development of proposed ISDS mediation strategies for the Western Balkans governments
- Technical support in the design of coordination bodies for the prevention and resolution of investment disputes (one body approved and two currently deliberated)
- Technical support for the reform and development of model bilateral investment treaties
- Technical support in the negotiation
- Regional training or trainers for investment law and dispute resolution
- Simulation of a treaty negotiation in collaboration with the Czech Ministry of Finance
- National mediation workshops and simulations for the competent institutions in collaboration with ICSID

Director of Research and Development

Arbitrator Intelligence (January 2020-2022)

- Management and coordination of the process of research, collection and data management on international arbitration cases and arbitrators through specialized methodology.
- Arbitrator Intelligence is a global data aggregator, seeking to improve the diversity, accountability, and transparency in international arbitration.
- Arbitrator Intelligence collects data on the performance of arbitrators through the online, anonymous Arbitrator Intelligence Questionnaire which is filled by arbitration users.

- Fluent in English (written and oral, TOEFL certification) and German (B1 level courses)
- Passive knowledge of French and Spanish

IV INTERESTS AND COMMUNITY AFFILIATIONS

Coach of the Vis Moot team of the University of Sarajevo Faculty of Law since 2016, and the International University of Sarajevo in 2020. Coach of the Dagon University Vis Moot team in 2020. Through this empowering and engaging project, I had the privilege of being a participant in 2015, and it is one of the main reasons why I have become dedicated to international arbitration. The Willem Vis C. International Commercial Arbitration Moot is one of the most prestigious international competitions for law students which is held in Vienna for over a quarter of a century. It encompasses theoretical and practical skills, legal writing, reasoning and advocacy.

Member of Association ARBITRI, an NGO gathering young lawyers who are passionate about arbitration. Activities include educational events, training for the arbitrators of the Commercial Arbitration Court with the Foreign Chamber of Commerce B&H in cooperation with USAID and CLDP, and organizing the annual international arbitration conference, Sarajevo Arbitration Day.

Founder of the Girl Empowerment and Mentorship Program (GEM) is the first diversity initiative for international arbitration launched in the Western Balkans. GEM seeks to multiply and enhance regional collaboration, creating a robust professional support system for international arbitration.

The GEM program connects law students and young professionals to experienced mentors who can provide them academic and professional guidance, advice and support.

Through these efforts,

- Four mentees have successfully found their first internship position at prominent law firms with offices in the region and Europe
- Two mentees obtained LL.M. scholarships at US universities
- One mentee is conducting a significant empirical study with her mentor, which will be covered in a research paper
- One mentee is co-authoring an article which will be published in a prominent international publication
- Several mentees attended events where they met leading experts among scholars and practitioners, including Gary Born, Crina Baltag, Catherine Rogers, Ilija Mitrev Penushliski, Kabir Duggal and many others.
